

SUNDAY 10 JANUARY 2010 THE GLYDERS

This year, we thought that it would be nice to get the crampons on – especially with all of this freezing weather around. We've decided upon the Glyders – a nice circular walk with lots of good views and fairly good vehicular access.

CRAMPONS AND ICE AXE ARE A MUST IF THIS WEATHER CONTINUES

Plenty of opportunity to do a lower level walk though for those who don't wish to go high. Also if you don't have the equipment for winter conditions on the high level route please contact Steph as he may be able to help.

Departing Sainsbury Car park at 8.00am or the Ogwen Cottage Car Park at 10.00am.

Feel free to call Steph or Kim on 01743 232561 if you have any other questions.
